Comment :

The attached sketch is of value since no records of the layout of Kizel are available. The location of the power plant, which was previously known, is stated correctly on the sketch. Information on the "new power plant" north of the old power plant is new. From the sketch it is inferred that this new plant is to have a much greater capacity than the old one. A separate report on the new power plant will be forwarded.

1 Annex: Town Plan of Hazel.

Legend to Annex:

- 1 Komsomol pit with
a railroad connection
- 2 Pit of unknown designation
- 3 Lenin pit
- 4 Old power plant
